CHINA AND THE  
UNITED STATES.

By REV. WM. SPEER, D. D.

Formerly Missionary in China and to

the Chinese in California.

A work of absorbing interest and full of practical information on a subject now greatly exciting the public mind.

It treats of the Chinese at home—his history, religion, literature, arts, sciences, habits and customs; the Chinese in America; the problem of Chinese labor, and the political influence of the Chinese in the United States.

The Chinese in California is the most timely, as well as the most deeply interesting work of the day.

700 pages, 40 full page illustrations. Elegantly bound. A chance to make money fast. Send for sample with terms and testimonials.

THE WILSON  
SHUTTLE  
SEWING  
MACHINE.

THE ADVANTAGES OF  
THE  
Wilson Shuttle Sewing  
MACHINE  
OVER ALL OTHERS.

1. It is the simplest shuttle machine made.

2. It has less wearing parts.

3. It has no grooved cans, ball-joints or com-  
pound cranks.

4. It is better adapted to a larger range of work without change, than any other machine.

5. It has less pieces of machinery than any other machine.

6. They use a straight needle—easier ones are liable to break.

7. The needle has a peculiar motion. This is absolutely necessary for heavy work.

8. They sew over the heaviest seams without changing the tension or breaking the finest thread.

9. The stand is well braced, which prevents all the unsteadiness so common in other ma-  
chines.

PRICE \$45 TO \$60.

Every machine warranted for three years.

Sold for circles and sample of seven.

AT&TNA

DROP FEED

Sewing Machine.

THE AT&TNA is a Noiseless Shuttle Lock

Stitch Sewing Machine using a straight

needle, as a needle protects. It has been manu-  
factured and used in New York, New York, New

City for years and has always been held in great favor on account of its extreme simplicity

and durability, both as a family and a busi-  
ness sewing machine.

About 25,000 of them are in the hands of many operators, doing every

sort of work, and no person who has become

a owner of one has yet been found willing to

give up the AT&TNA for any other, where all

industries are well known.

Yet our many experts have said that the

AT&TNA is the best machine

we ever saw.

And we are giving you the best machine

that money can buy.

We believe that the world is ex-  
pecting every day to see the case,

and knowing they will decide upon its merits,

which the Singing, Singing, Chilly and Dry

Machine.
